EXHIBITOR MEMO

January 3, 2022

FROM: Kathy Masterson, Executive Director

RE: **DATE CHANGE FOR NARI HOME IMPROVEMENT SHOW TO MARCH 25th – 27th, 2022**

On Thursday, December 30th, The NARI Greater Cleveland Board of Directors voted to postpone the 2022 NARI Home Improvement Show to March 25th – 27th, 2022 due to the current spike in Covid-19 cases.

This decision was made out of the abundance of caution for both exhibitors and attendees health, safety and well-being. After not being able to hold the show in 2021 we felt it was important for the success of our show to postpone for several weeks in hopes that the rise in Omicron cases would level out after the expected growth over the Christmas and New Year holidays.

We will continue to work hard over the next several weeks to create the most successful event possible for our exhibitors. We know how important the home show is to the success of your business and we want to give you the best opportunity to create the sales your company needs for a successful 2022.

We look forward to welcoming you back to the show floor on March 25th – 27th, 2022. If you have any questions please feel free to reach out via email at kmasterson@naricleveland.com or I can be reached at 216-631-7764.

Thank You!
